

# Access Bank Botswana Cements Leadership Team with **Sheperd Aisam** Country MD Appointment

The Board of Access Bank Botswana is pleased to announce the appointment of **Sheperd Aisam as the new Country Managing Director effective January 4, 2024.** The appointment follows all necessary regulatory approvals.

Sheperd commences his duties in Botswana and will then spend time in Nigeria to undergo training on the Access Bank way of working and enhance his familiarity with the African banking brand. Upon returning to his base in Botswana, Sheperd's focus will be on continuing to deliver the Bank's robust strategy.

With over 20 years in financial services, Sheperd's extensive experience comprises various facets of banking, including nuanced corporate and investment banking as well as business and commercial banking. His depth of expertise positions him well to lead Access Bank Botswana's continued pursuit of commercial banking excellence, grounded in sound and sustainable business practices to unlock value.

Sheperd joins Access Bank Botswana from South Africa, where he served as Group Head of Public Sector, Business & Commercial Clients for Standard Bank Group, a role he held from July 2022 to date. Prior to this, he was based in Botswana at Stanbic Bank as Head of Corporate & Investment Banking for 6 years, as well as in multiple other roles. Sheperd also served as Interim Head of Client Coverage at Standard Bank Mauritius.

**Access Bank Botswana is committed to providing innovative financial solutions and delivering value to its colleagues, clients, shareholders, and the broader community.**
